A Butterfly's Dream

Pour piano et orchestre
For piano and orchestra
(2015/16)

Commande du Concours Musical International Reine Elisabeth de Belgique
pour la Finale du Concours de Piano 2016.

*Commissioned by the International Music Contest Queen Elisabeth of Belgium,
for the Final session of the Piano Contest 2016*

Notes d'exécution / *Performance notes* :

Les tempi indiqués sont des tempi maximum. Au soliste et au chef d'interpréter ceux-ci
en fonction de l'acoustique de la salle et des nécessités expressives et techniques de l'oeuvre.

*The metronomic tempi are "maximum" tempi and are given as free indications ; they may fluctuate
according the acoustic of the concert hall and the technical and expressive necessities.*

Les altérations sont valables pour toute la mesure. Toutefois, elles peuvent être indiquées à nouveau dans
le cours de la mesure pour des raisons pratiques.
Accidents are valid for the whole bar. However, for practical reasons, accidents can be indicated again within the bar.

Pour la partie de solo :
For the solo part :

Les pédales sont indiquées de manière sommaire et ne sont que des propositions
élémentaires ne demandant qu'à être développées

Pedals indications are written briefly ; they are only elementary proposals which must be developed.

La partition s'inspire de la scène du *Rêve du Papillon* extrait du *Zhuangzi* (Tchouang Tseu), livre
de philosophie chinoise (portant le nom de son auteur), écrit au IV^e siècle avant notre ère. Dans cet
ouvrage, le lettré s'interroge sur la réalité du monde à la suite d'un songe dont il ne savait s'il était rêve
ou réalité :

« Jadis, Tchouang Tseu rêva qu'il était un papillon voltigeant et satisfait de son sort
et ignorant qu'il était Tseu lui-même. Brusquement il s'éveilla et s'aperçut qu'il était Tseu.
Il ne sut plus si c'était Tseu rêvant qu'il était un papillon, ou un papillon rêvant qu'il était
Tseu »

*The score is inspired by the Dream of the Butterfly from the Zhuangzi (Zhuang Zhou), a book of Chinese
philosophy (bearing the name of his author) written in the IVth century BC. In these lines, the writer
wonders about the reality of the world after a dream :*

*« One day, Zhouang Zhou dreamt he was a fluttering butterfly, happy with his lot and ignoring that
he was Zhou himself. Abruptly he woke up and realized that he was Zhou. Zhou did not know any more
if it was him who dreamt he was a butterfly, or if it was the butterfly who dreamt he was Zhou... »*

A Butterfly's Dream

Une triple dédicace :

A la mémoire du Comte Jean-Pierre de Launoit.

A la mémoire de mon ami Luc Brewaeys, dont la disparition coïncida avec l'écriture de la dernière section de l'œuvre qui en porte la trace tragique.

Enfin, à Zhang YongYin, dont les confidences furent à l'origine de ces papillons traversant allégrement mers et continents.
